Become a Volunteer!

We are a 501c3 Non-Profit organization that provides direct support to qualified charities in our community through our annual music and motorcycle festival. The 2025 Florida Nature Coast Bike Fest will take place Friday, March 14, 2025 through Sunday March 16, 2025. Event setup begins Tuesday March 11, and cleanup should be complete no later than Tuesday March 18. The 2025 event will benefit Citrus County Blessings. Our Board of Directors and entire staff are volunteers, we have no paid employees. Volunteers may participate in our events or organization temporarily, or as a long term staff volunteer.

We will provide documentation of community service hours for volunteer participation upon request by the volunteer. All volunteers must complete the attached Release of Liability form.

There are a number of volunteer opportunities and we encourage volunteers to identify specific skills or abilities they may have. Opportunities include but are not limited to event set up, clean up, staff positions such as parking attendants, security, facilities and operations, planning, marketing, social media management, attendee interactions and public relations. Volunteer assignments will be based on individual skills and abilities, availability and volunteer interests.

Volunteers interested in participating in event setup, cleanup or during the actual event should contact Chuck Meeth, 352-201-7693.

Volunteers interested in participating in public relations, planning, social media collaboration, photography or any other administrative positions should contact Roberta Oldread, 352-302-2487.
